

Denver Montclair International School

Morning/Afternoon Bus Transportation Service Authorization Form

Denver Montclair International School offers morning and afternoon bus transportation for its students. In order to ensure the safe and efficient operation of this service, certain procedures and regulations must be followed. These procedures and regulations have been provided to parents and guardians to review and discuss with their children.

I authorize my child _____ to ride the DMIS bus as part of the school's morning and afternoon bus transportation for its students and I promise to pay all ridership fees from my child's use of this service. I further recognize and accept that the school's responsibility for your child begins only once he/she is inside the bus and that I am responsible for him/her until that time.
