

Denver Montclair International School presents

DMIS Annual Gala 2012

Shanghai in the 1930's

Saturday, April 28, 2012 \* Tivoli Turnhalle \* Auraria Campus

Dear parents,

Join us on Saturday, April 28, 2012 for Denver Montclair International School's (DMIS) Annual Gala, "Shanghai in the 1930's." The night begins at 6:00 p.m. at the historic Tivoli Turnhalle on the downtown Auraria campus. Shanghai in the 1930's was a time to acknowledge the American culture that had influenced Shanghai, from art-deco dance halls, jazzy night clubs to glamour and fun. We will also celebrate 2012 as the **Year of the Dragon**.

Come dressed in your traditional Chinese or cocktail attire and celebrate a year of power, strength and good luck! This evening will be filled with excitement - jazz tunes, music and dancing, food and drink, and silent and live auctions. Gather with our DMIS community to celebrate our achievements and raise funds necessary to continue our school's important work.

Proceeds from this year's event will support:

- Building renovations to accommodate our growing student body;
- Playground upgrades and expansion; and
- Scholarships for students needing tuition assistance.

During the evening we will also announce the Pasquer-Kimak Global Citizenship Award. This award recognizes an individual for his or her global vision and demonstrated commitment to developing future citizens and leaders.
